WHY CHOOSE US?

Our Laser

The first in Oklahoma to offer the WaveLight® EX500 Excimer Laser and the WaveLight® FS200 Femtosecond Laser. This new state of the art system provides the fastest and most precise LASIK laser resulting in nationally top ranked LASIK results.

Our Surgeon

Dr. Dan Langley is an internationally recognized Board Certified Ophthalmologist. He has extensive laser vision correction experience on multiple laser platforms and specializes in Bladeless LASIK. He received the Lifelong Education award from the American Academy of Ophthalmology.

Our Lifetime Commitment

We stand behind our vision results! The TLC Lifetime Commitment program helps patients who choose us to maintain the best possible vision throughout their lives.
